## Registration Renewal: Eligibility Requirements for Travis County

Contact your county tax office

To renew your vehicle registration for this county, you must meet the following requirements:

1. Your vehicle registration cannot be expired. (You can renew your registration online as early as 90 days before the sticker's expiration date. Doing so will not change your sticker's expiration date.)
2. As the vehicle owner, you must be a resident of Travis County.
3. You must have an active e-mail account.
4. You must carry at least the minimum amount of liability insurance required by Texas law. As part of the online registration renewal process, the [TexasSure Vehicle Insurance Verification Program](#) will automatically check to verify that you have the proper insurance.
5. You must have a valid credit card. VISA, MasterCard, American Express or Discover cards are accepted for online registration renewal. The total amount you owe will include a \$2 Texas Online service fee and a \$1 postage and handling fee for the county.
6. The total gross weight of your vehicle is 54,999 pounds or less.
7. You may renew your vehicle registration without having received the renewal notice mailed to you each year.

*I declare under penalty of perjury that I am eligible to renew my vehicle registration online. I understand that perjury can result in a fine not to exceed \$4,000 and/or confinement in jail not to exceed one (1) year.*
